Hello again,

Thank you to everyone who came along yesterday to gather signatures on the petition to save our shops and businesses affected by the tram works. Well over two thousand people have signed the petition since we launched it on Thursday. At one point people were queuing outside Hallam's to sign up. My thanks to all our great shops and traders who have been collecting signatures.

The campaign has already persuaded Notts County Council to extend the scheme to all small businesses who have suffered financial loss due to the tram works - we now need them to make sure there is enough money to compensate everyone.

With your support we can win!

Forward on this email to a neighbour, friend or family member and ask them to sign the petition. Paper copies available at the constituency office.

Beeston Councillor, Steve Carr (Lib Dem) turned out to help as did Stapleford Town Councillor, Richard MacRae (Independent). Bramcote Councillor, Stan Heptinstall (Lib Dem) was passing by and he didn't hesitate to sign up. Sadly, Beeston Councillor, Steve

Barber (Labour) refused to sign the petition even though this is a non party political issue.

Broxtowe Wildlife Day success

A good number of stalls filled Beeston Square yesterday to mark Broxtowe's Wildlife Day. They included Friends of Toton Fields and Notts Wildlife Trust based at the Attenborough Nature Reserve who persuaded me to "Hook a Duck". Well it was all in aid of a great cause!
