

BROXTOWE IS CONTROLLED BY LABOUR AND THE LIB DEMS

IT'S TIME FOR CHANGE IN BROXTOWE!

Conservative Party Chairman Baroness Warsi at a new youth centre in Eastwood with local Conservative candidates.

5 good reasons to vote for Change in Broxtowe

1. Better value for YOUR money.

We will **not** increase allowances paid to Councillors.
We will vigorously scrutinise every department for savings to keep Council tax under control while protecting our valued frontline services.
We will work with other Councils to share back office functions.

2. Restoring Democracy - it's your Council!

Broxtowe's "cabinet system" has failed you and keeps the majority of Councillors out of touch with the running of the Council. We will re-introduce the Committee System with Council meetings every six weeks so reports will be scrutinised by the whole Council and open to the public. All Committee meetings will take place in public and in the evening.

3. Action on improving our towns

Labour and the Lib Dems imposed car park charges and **only** the Conservatives voted against them.
As a result towns like Eastwood and Kimberley are struggling and charges have caused chaos on residential streets. We will urgently review Car Park Charges with the aim of restoring free parking.

4. Protecting our Green Belt

We will fight to protect our Green Belt from development pressures. Broxtowe is the most densely populated district of Nottinghamshire and our Green Belt is a greatly valued resource. We will ensure good quality open space is a part of any new development.

5. Council Housing - putting locals and service people first

Broxtowe residents will get priority as we will reintroduce the Conservative scheme to give points for the length of time you have lived in the Borough.
We will also prioritise housing for members of the armed services who find it difficult to get good quality housing on leaving the forces.

BROXTOWE'S CHOICE AT THIS ELECTION

CONSERVATIVES

The Conservatives ran Broxtowe for over 20 years and this is our record:

- Introduced FREE Car Parking
- Built Sheltered Accommodation for the elderly across Broxtowe
- Maintained consistently low levels of Council tax
- Pedestrianised Beeston Town Centre
- Left £8 million in Broxtowe's reserves

LABOUR

After 16 years of a Labour and Lib Dem controlled Broxtowe their record is:

- Car Park Charges
- Too many poorly maintained and repaired Council properties
- Spending has doubled and our reserves have been decimated
- Our towns suffer from a lack of investment and political will
- A Council that is out of touch with ordinary people
