Broxtowe Borough Council elections: Polling Day 5 May

April 2011

WORKING FOR THE BENEFIT OF THE COMMUNITY

Mick Brown, Margaret Handley and Stuart Rowland are continuing to improve the facilities for residents throughout the ward.

Mick and Margaret have met with Cllr Richard Jackson who is responsible for Transport and Highways on the County Council to look at the issues affecting the ward. Mick and Margaret brought some early teething problems with the junction at Smithurst Road to Richard's attention as well as the general state of the roads. The Government has given Notts an extra £2.8 million to fill in potholes and Mick, Margaret and Stuart will make sure we get our fair share.

Residents' concerns regarding the safety of the entrance to the proposed development off Smithurst Road were also raised. Concerning the IKEA roundabout, Cllr Jackson said: "We have made changes there by altering the sequencing of the traffic lights and realigning the lanes."

Through their early intervention, Margaret and Mick have secured money to refurbish the play area on Dovecote Road, owned and run by Greasley Parish Council.

Mick, Margaret and the new member of the team, Stuart, hope that you will support them on May 5th so that they can continue to serve the local community.

YOUR PRIORITIES ARE OUR PRIORITIES

- 1. To work on behalf the electorate of Greasley, Newthorpe and Giltbrook, working together to continue to build a better community and listen to your concerns.**
- 2. To continue to work with the Community and Police to reduce crime and anti - social behaviour.**
- 3. To make sure that the Council Tax payers of Broxtowe get value for money.**
- 4. To continue to work in Partnership to develop facilities for the young people of the area.**
- 5. To continue to protect the Green Belt so as to preserve open space facilities for future generations.**

YOUR POSITIVE, VISIBLE AND PRACTICAL TEAM

Margaret Handley

I have lived in the area for over 30 years and been proud to serve the electorate of this ward for the past 11 years at Borough and Parish levels.

I have served on Development Control and other committees and chaired the local Community Action Team meetings.

I look forward to your support in May to enable me to continue this work.

Mick Brown

I am a local family man, having been brought up and lived in Giltbrook for the majority of my life. I have been proud to represent this district for almost 15 years on both the Borough and Parish Councils.

I have been variously involved in planning, community safety, finance etc. I look forward to your support to continue this work.

Stuart Rowland

I've lived locally for 40 years and am married with two sons. I have now retired after a career in finance, latterly as a School Bursar.

I believe it's time for me to 'put something back' into the community I treasure.

It will be an honour to serve the people of the ward and hope you will vote for me on May 5th.
